ORDERING INFORMATION

PLEASE READ CAREFULLY BEFORE ORDERING

1. When ordering, please remember to:
 - Write your customer number, catalog number and price on the order form.
 - Fill one order form for each picture you send and keep yellow copy for your records.
2. Send the clearest picture possible, up to a maximum of 8" x 10". Picture will be duplicated (enlarged or reduced), then returned to you. Please ask your customer to supply the **original picture** because working from a copy (laser or computerized) does not give good results.
3. Unless otherwise specified, picture will be made as a bust, vertically.
4. All services and alterations at no extra charge as of March 2007
5. Delivery:
 - Shipment guaranteed 15 business days as of processing of order.
 - Delivery of all orders via FedEx.

Note: We cannot guarantee identical color reproduction of the original because of the inks used in the ceramic firing process.
